

## GOYA BEDROOM

### GOYA BEDROOM FURNITURE

The Goya Collection includes a complete series of furnishing products for the dining room and bedroom. The dominant motif consists of deep horizontal grooves crafted on the wooden bases for tables, on the doors of the sideboards and on the fronts of the bedside tables and dressers.

Contemporaneity, elegance and purity of form are the inspiring principles of the Goya Collection.

Wooden bedroom furniture available in different finishes

Marble top with thick smooth edge

Metal handles in polished steel or Oxybronze finish
