

## OYSTER BED

### UPHOLSTERED BED

The Oyster collection reminds us that a bed is designed not only to make our rest comfortable, but also to give us a moment of happiness when we look at it, thanks to the beauty, elegance and uniqueness of the shapes and materials. The covering of the headboard and the decoration of the footboard and side bands are handmade following a "fan" pattern of great visual impact.

Upholstered bed with feet in polished steel (PS) or in a metallic finish.
